

# COSMION™

THE FUTURE OF SKIN CARE

**The Cosmion Mask** represents ground breaking skin care technology that places simple and effective results in patient's hands. This medically proven approach utilizes micro currents in the mask to deliver specially formulated products deep within the skin.

With just one mask (12 applications),

clients will typically see marked improvement in the appearance of skin tone, texture, uneven pigmentation, fine lines and wrinkles.

The Cosmion Mask is an approach unparalleled in the skin care world with results that often exceed those seen with lasers and intense pulsed light treatment.
